Profile of Degree Program	<p>The Faculty of «Law and Political Science» prepares the specialists in «Law» (the specialization is the Financial Law).</p> <p>The principles of the selection and admission of the students are determined in the Charter of admission.</p> <p>The Finance Academy describes the specialty in such a way: «The Financial law is a promising branch that requires besides juridical knowledge also deep understanding of economic processes. Taking into account the specific of the future profession the students get deep knowledge both on law and economic subjects. They also possess necessary skills in the field of legal assurance of the economic activity in Russia and other countries».</p> <p>After completion of training it is necessary to pass two State exams and thesis defense.</p> <p>Every discipline can be covered on the basis of occupied learning/subject field by a staff candidate or a professor. According to the Financial Academy all the staff professors teach in more than one area.</p> <p>The following teaching methods are implemented to the discipline both the</p>

	<p>traditional forms of learning process organization: lectures, laboratory research and practice; and active and interactive educational forms: business play, conferences, round tables, trainings, computer testing.</p> <p>The bases of the internships are the RF Audit Chamber, Foreign Trade Bank, the VTB, the RF Ministry of Internal Affairs and tax inspections as well as other organizations.</p> <p>The relationships with the foreign companies and organizations are established in order to the students could undertake an internship.</p>
<p>Agency Review Summary</p>	<p>The auditors following the results received in the course of accreditation process have drawn the conclusion of program compliance with the AKKORK criteria and standards.
